Progress
Girls camp Intern**

Dear Ms. Acacia,

I am writing to express my enthusiastic interest in the Girls Camp Intern position at Hattie B. Black Women In Progress, where I am excited to return for my second year. Having completed my first year as an intern, I'm passionate about continuing to create positive and empowering experiences for young girls within this community. I am particularly drawn to Hattie B. black Women in progress' commitment to have the girls embody in their confidence.

During my first year as an intern, I developed strong guidance, enthusiasm, responsibility, and patient skills. I am confident in my ability to assist with various camp activities, from organizing games and crafts to providing support and encouragement to campers. I am also a responsible and reliable individual with a strong work ethic and a genuine desire to contribute to a fun and safe environment.

I am eager to continue to work as the Girls Camp Intern position and how my skills and enthusiasm can further benefit Hattie B. Black Womens in Progress. Thank you for your time and consideration. I have attached my resume for your review and welcome the opportunity to discuss my qualifications further in an interview.
