Dear Hattie B. BWIP,

I want to express my interest in the Hattie B. BWIP Girls Camp Internship. I am currently a freshman Biology major at Northern Arizona University with a consistent GPA, and I am passionate about leadership, mentorship, and empowering young women to believe in their potential. Having previously served as a camp intern, I would love the opportunity to return and continue making a positive impact.

I want to be part of the Hattie B. BWIP team because I truly believe in the mission of empowering girls to recognize their potential and build lifelong confidence. Having previously served as a camp intern, I experienced firsthand the positive impact this program has on campers. Being part of a team that uplifts, encourages, and mentors young women is incredibly meaningful to me. I want to contribute to that environment again, this time with even more experience, maturity, and leadership skills to offer.

Through my leadership roles in DECA, my involvement in RYLA as a Delegate, Junior Counselor, and Super Junior Counselor, and my customer service experience, I have developed strong communication, teamwork, and problem-solving skills. I am extroverted, energetic, and genuinely enjoy building connections with others. Most importantly, I want to be someone campers can look up to, someone who listens, encourages, and reminds them that they are capable of achieving anything they set their minds to.

Thank you for your time and consideration. I would be honored to continue serving as part of the Hattie B. BWIP team and contributing to such a powerful and inspiring program.

Sincerely,

Amaya Taijeron
