Hattie B. Black Women in Progress Program: Girls Confidence
Camp,

I am excited to apply for the First-Year Summer Internship with Girls Confidence Camp through Hattie B. Black Women in Progress. I have a genuine passion for working with children and supporting their growth, confidence, and overall well-being. I am currently pursuing my Bachelor of Science in Nursing (BSN) and hope to work with children in the future, possibly in pediatrics or labor and delivery. This internship presents a unique opportunity to combine my love for mentoring youth with hands-on leadership experience in a supportive and empowering environment.

Through my coursework in Child Development and my experience babysitting, I have developed strong communication, patience, and responsibility when working with children of different ages. These experiences, combined with my dedication to learning and contributing to a team, have prepared me to be a positive role model and mentor for campers. I am eager to support activities, encourage confidence-building, and ensure a safe, fun, and inclusive experience for all participants.

I am enthusiastic about the opportunity to join Girls Confidence Camp and contribute to its mission of empowering young girls. Thank you for considering my application. I look forward to the possibility of helping make this summer an unforgettable and inspiring experience for the campers.

Sincerely,

Destiny Margerum
